Group Leader Description

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

Group Size Notes

Max 18, avg 14.

Meals Included

10 breakfasts, 2 lunches, 2 dinners

Meals

Eating is a big part of traveling. G Adventures understands the importance of breakfast to start your day, we strive to include a basic breakfast wherever possible. A typical breakfast may include toast, coffee and tea, however this may vary depending on the city. Should breakfast not be included, your CEO can suggest some local options. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. On truck trips in Africa, aboard the expedition ship Explorer or our Galapagos yachts, while trekking in remote regions etc. food is included, plentiful and made of fresh local ingredients. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Joining Instructions

Officially the airport is called Ministro Pistarini International Airport, but it is commonly referred to as Ezeiza. It is situated 35 km (22 miles) from the city, about 40 minutes in a taxi. A taxi to the centre costs approximately \$45 USD and can be arranged from the official counter inside the Arrivals area. If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi. Please note that Day 1 is an arrival day and no activities have been planned for that day other than your welcome meeting in the evening, so you can arrive at any time. Similarly the last day is a departure day during which no activities have been planned. A G Adventures Representative will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip. A welcome note will be left for you in the hotel so you have all the necessary information regarding the meeting time. If you arrive late, s/he will leave you a message detailing what time and where you should meet the next morning.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details. If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Emergency Contact

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible. What to Take

Most airlines allow two checked bags and one carry-on per person. To avoid any problems on check-in and with possible excess baggage charges, please consult the airline for specific restrictions. We recommend using a backpack for your convenience, or a medium-sized suitcase if you prefer. A daypack is also essential for carrying everyday items. Space is limited on transportation, so there is a limit of one main piece of luggage per person. You will be responsible for carrying your own luggage. Most people automatically assume that the weather is hot in South America, but because of the higher altitude in the Andes, the temperature can feel quite cold, especially at night. It can be very cold in the Andean highlands, temperatures of -10°C and lower are frequent around Uyuni and the Altiplano (high plateau). It is best to layer clothes rather than wearing a heavy parka. This allows you to accommodate clothing to varying degrees of temperatures and wet/dry/windy weather conditions.

Laundry

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

Visas and Entry Requirements

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The currency in Argentina is the Argentine Peso (ARS), in Chile the Chilean Peso (CLP), and in Bolivia, the Boliviano (BOB). Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Please bear in mind that cost of living in the southern cone countries (Argentina, Brazil, Chile) is

much higher than the rest of South America, and in the case of Argentina, more comparable with Europe. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds. We do not recommend bringing travellers cheques as they are very difficult to change in country. CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent). As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

USD \$25

Tipping

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure. You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group. Please note your Adventure travels to high altitude. This is medically defined as anything over 8,000 feet (2,440 meters). Most people can travel to 8,000 feet with minimal effects. However, everyone reacts to altitude differently and altitude sickness can on set with some people irrespective of fitness and age. For details on how to best prepare and what to do in the unlikely event you are effected on your Adventure, please consult your physician.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions. Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately. Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s). Swimming, including snorkeling, is always at your own risk. We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit: www.gadventures.com/travel-resources/safety/

Trip Specific Safety

We recommend that you wear minimal jewelry and that you keep valuable items safely stored.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Trip Specific Responsible Travel

Silver Mines in Potosí Working conditions for miners were appalling, and a large portion of the indigenous population was decimated. African slaves were brought in to replace the native workers, and it is estimated that as many as eight million indigenous and African people died in the mines during the first three centuries of Spanish colonial rule. Unfortunately little has changed throughout time and working conditions have remained the same. Although this is not an excursion for everyone, we do recommend a visit as it is an eye-opening experience that gives you a chance to glimpse the realities of life in the Andes in general and more specifically in these mines however we do not condone the working conditions of the mine.
