Reiseroute

Marrakech

Arrive at any time. Get ready to channel all of the buzz and excitement of arriving in a new place by heading out on the town with your CEO and crew. Take the fun to new heights as you grab drinks and kick back at a rooftop bar. Don't get too distracted by the incredible views of Marrakech, though, that you forget to get to know your new travel companions and prepare for the thrilling journey ahead.

Marrakech/Taghazout

This afternoon we make our way through the High Atlas Mountains and visit the market town of Taroudant. Concealed within striking red walls, Taroudant is often called “Little Marrakech.” Wander through the old town at leisure and browse its lively markets before continuing on to the fishing village of Taghazout.

Opt to get up early and catch the sunrise over Marrakech by pre-booking the Hot Air Balloon excursion.

Taghazout

Wake to the soft tones of waves crashing along the shoreline, then suit up for a surf lesson. Hit the waves for a free afternoon of surfing or paddle-boarding. Prefer land surfing? Opt to go hiking or do yoga. After a day of embracing your wild side, what could be more fitting than gathering around a bonfire on the beach as the sun kisses the horizon goodnight?

Taghazout/Essaouira

Take coastal living northward to colourful, sun-drenched Essaouira. After an orientation walk around the city, enjoy free time to get to know the ramparts and rocky beaches of Essaouira further. No rest for the weary? Not true here — opt to pre-book the Traditional Hammam Experience and enjoy a spa experience that is ritual for the many of the locals.

Essaouira/Marrakech

Hit the road one final time and return to Marrakech. Even though your trip ends on arrival, make sure you take the time to take plenty of photos with newfound friends to commemorate the memories made. (Morocco scrapbook, anyone?)

Dossier Disclaimer

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary. VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission. Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Itinerary Notes

Please note that if you are travelling to Morocco between November and February, your tour will have a level of flexibility based off of winter weather conditions on roads in the mountains. Heavy snow is not uncommon, so plan on packing warmer clothing to suit conditions.

Important Notes

ITINERARY PACE This is a very fast paced itinerary which covers lots of ground. While this is great as it allows us to see a huge amount in the available time, it also means some early starts, some long drives in the mini van and less free time than many other G Adventures. We feel that if you enter this trip with this knowledge and expectation, you will appreciate even more the variety of locations we are able to include in this itinerary. **TRANSPORT** The legroom in the minivan is possibly smaller than you may be used to and taller passengers may find space a little cramped. It is important to be aware that as it is not a legal requirement in buses in Morocco, your vehicle may not be equipped with seat belts. **WEATHER** Please note that the climate in Morocco can be both very hot during the day in summer months (up to 50°C) and cold at night in the mountains in autumn, early spring and winter (down to -6°C). Summer months, from April to September are very hot throughout Morocco. Winter months November to March can be cool to cold, especially in the Atlas Mountains, with high probability of snowfall. Most Moroccan buildings are not equipped with heating, so without proper layers you will be cold at night. Please bring appropriate clothing for the months in which you are travelling and check temperatures before you leave. Bedding is provided in the desert camp and the gîte, but in winter months if you feel the cold you may wish to bring a sleeping bag too. **RAMADAN** According to the lunar cycle, Ramadan will fall between Apr 10th - May 14th 2021, and Apr 1st - May 3rd 2022. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important

to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time. COMBO TRIP Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

Group Leader Description

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). As the group coordinator and manager, the aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. You can expect them to have a broad general knowledge of Morocco, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends. We also use certified local city guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

Group Size Notes

Max 14, avg 10.

Meals Included

4 breakfasts, 1 lunch, 2 dinners

Meals

Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. For all trips please refer to the meals included and budget information for included meals and meal budgets. Breakfasts Moroccan breakfasts tend to be different from your usual cereal and toast morning fare – most will be very simple - a croissant or sweet roll with jam and instant coffee and some hotels will have buffets where you will have more variety. While you are experiencing what a Moroccan family would eat, some travellers do find the provided breakfasts a bit "bread heavy" and enjoy buying fruit the day before to supplement their breakfast. Lunches and Dinners Moroccan cuisine is world famous and your CEO will be taking the chance to show you the best of it. Staples include cous cous, a type of grain topped with stew, tagine which is actually the name of the pot this tasty dish is cooked in, and brochette, bbq skewers of meat. These meals will generally cost between 45- 70 MAD depending on the type of restaurant and which part of the country you are in. Other tastes not to be missed include pastilla, a sweet pastry with a savoury filling which is traditionally pigeon and harira, a delicious soup based on chick peas and filling enough when teamed with fresh bread to be a whole lunch. If you are heading to the coast the fresh seafood cooked at one of the local markets is a must eat! Snacks Morocco's fresh orange juice is highly recommended and you should not leave without trying a glass. The brave can try the tiny snails which are perhaps the local's favourite snack but you might prefer a cone of piping hot bite-size fried cake donuts.

Transport

Private air-conditioned van, public bus.

About our Transportation

Please note that there is a lot of fast paced travel on this itinerary which necessitates some long travel days in our mini van. We feel that if you enter this trip with this knowledge and expectation, you will appreciate even more the variety of locations we are able to include in this itinerary. We use a 16-seater minivan and with a full group every seat will be used. The legroom in the minivan is possibly smaller than you may be used to and taller passengers may find space a little cramped. It is important to be aware that as it is not a legal requirement in buses in Morocco, your vehicle may not be equipped with seat belts. The minivans have air conditioning, however please note that summer temperatures in Morocco can easily reach 50 celsius. When the outside temperature is so hot, a minibus air conditioning system will not be able to cool the bus to the temperatures you are used to enjoying at home. Please bear in mind that travelling in Morocco in summer will inevitably involve very hot temperatures and some discomfort may be experienced when travelling.

Solo Travellers

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Accommodation

Hotels (2 nts, twin-share), Surf House (2 nts, twin-share).

My Own Room

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

About Accommodation

On this trip you can expect to stay in local hotels or pensions (with the exception of the start and finish hotels, which are often larger city hotels), which will vary a little in standard and facilities: some may not have elevators, air-conditioning or English-speaking staff, but most importantly all are locally-run, with some traditional character, and in excellent central locations to give you maximum time for exploring the sights. Where a town has both an ancient medina and a "ville nouvelle" we generally stay in the ville nouvelle, both because the standard of hotels is higher, and because travellers (especially women) often find the medinas at night a little confronting. Please note that Morocco is a developing country and as such the infrastructure is not as reliable as you would expect at home. Expect quirky plumbing and the odd cold shower! Please be advised that some of the accommodation for this tour will have shared bathroom facilities.

Joining Hotel

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

Joining Instructions

Please note that day 1 is an arrival day and no activities have been planned on this day. Upon arrival to the city on day 1 (or earlier if you have booked pre-accommodation with us), please make your way to the joining hotel (note that check-in time will be in the afternoon). Once you arrive at the hotel, look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details! If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day. If you are taking a taxi, upon exiting the main terminal, walk straight ahead into the main car park where you will see the taxi stand with many taxis all queued and waiting. Although the Hotel Amalou is approximately a 20 minute drive from the airport, haggling is encouraged to attempt to get the lowest price. If you have pre-arranged an arrival transfer, please note that transfer representatives are no longer allowed to wait for passengers inside

the airport. Please exit the airport, and look for the driver holding a G Adventures sign. Please approach them, and ask them who they are supposed to be picking up (do not tell them your name, they should have this information already). Once they give you the correct name, have your passport ready to show them and you will be on your way!

Arrival Complications

We do not expect any complications and nor should you but the following information is supplied in case of extra ordinary circumstances. PRE-BOOKED AIRPORT TO HOTEL TRANSFERS If you have pre-arranged an arrival transfer, please look for the driver holding a G Adventures sign outside of the terminal hall. Please approach them, and ask them who they are supposed to be picking up (do not tell them your name, they should have this information already). Once they give you the correct name, have your passport ready to show them and you will be on your way! If you have arrived at Casablanca airport, before calling please double-check with the airport staff which terminal you have arrived at. (This may not be the terminal stated on your airline ticket, as Casablanca flight arrivals often experience a change in arrival terminal). Please make your way to the Airport Information Desk in Terminal 1 (this is a short walk from the other terminals) If you are not travelling with a telephone, please head to the airport Information booth who will be able to assist you in the purchase of a phone card and direct you to a telephone. If for any reason you are unable to commence your trip as scheduled, or your flight is delayed, please call the above numbers to inform our staff so we can re-book your transfer.

Emergency Contact

What to Take

You will be on the move a lot, so our advice is to pack as lightly as possible. We highly recommend using a backpack or light sports bag, whichever you find easiest to carry, plus a small daypack. Detailed Trip Notes

REGIONAL INFORMATION. Climate: The climate in Morocco is Mediterranean along the coast, becoming more extreme towards the interior of the country. The winter months are from October to March and are characterized by cold nights and pleasant days. Summer is from April to September and starts off very pleasantly with moderate temperatures until mid-June when temperatures get extremely hot, to return to more moderate heat in late September. Inland, the climate is very dry and high temperatures predominate during the day for most of the year, except in the higher mountain areas. It rains generally only in short bursts in the period from the beginning of November until March. Electricity: Morocco uses 220V, 50Hz and plugs are two prong rounded (as for Europe). Languages: Arabic is the official language of Morocco, spoken in the distinctive Moroccan dialect. Approximately 40% of the population (mainly in rural areas) speak Amazigh (or Berber) in one of its three different dialects (Tarafit, Tashelhiyt and Tamazight). French is Morocco's unofficial second language and is taught universally, serving as the country's primary language in economics and commerce, as well as being widely used in education and government. Many Moroccans in the north of the country speak Spanish and English is widely spoken in tourist areas. Capital city: Rabat Principal ethnic groups: 30% Arab, 60% Amazigh Religion: Islam is the official state religion with almost the entire population being Sunni Muslim. 1% are Christian and about 0.2% are Jewish.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The local currency in Morocco is the Moroccan Dirham (MAD). ATMs are very common in Morocco with Cirrus and Plus system cards are the most widely accepted debit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work - it is important you check with your bank before departure and advisable to travel with more than one type of card. Visa cards are the most widely accepted credit cards, but are generally only useful for larger/expensive purchases. You should be aware when purchasing products or services on a credit card, that a fee usually applies. The foreign currency most commonly accepted in Morocco is the Euro. You will be able to exchange Euros, as well as GBP and USD at money exchange offices in major cities. Do not rely on credit or debit cards as your only source of money. A combination of cash (Euro/GBP or USD) and cards is best. As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

Usually included in your ticket, check with your air travel agent.

Tipping

Morocco has a strong tipping culture - it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tips are regarded as an essential means of supplementing income for those working in the tourism industry. Even though this might not be customary to you, nor such common practice in your home country, it is generally expected and of great significance to the people who will be assisting you during your travels. Depending on your preference and/or that of the group, you may choose to tip individually, organize the tipping with your travelling companions, or, your CEO will offer to collect the tip money at the beginning of your tour and tip as a group with your participation as the tour progresses. A recommendation for tipping small service providers is about \$3 USD per day, depending on the quality of the service (this does not include your G Adventures CEO). Feel free to ask your CEO for the breakdown/distribution of the tips. Note that if you have been very disappointed by a particular service, please inform your CEO right away, and the tip will be adjusted accordingly. Also, at the end of your trip if you felt your G Adventures CEO did an outstanding job, tipping is also expected and appreciated. The precise amount is entirely a personal preference, however \$35-40 USD per person per week can be used as a general guideline.

Optional Activities

Marrakech - Hot Air Balloon Marrakech - Amazigh Villages Visit Taghazout - Yoga - Stand Up Paddle Boarding Essaouira - Windsurfing (60EUR per person) - Shopping - Kite Surfing (Group Lesson) (1100-1650MAD per person, 1650-3300MAD per group) Essaouira - Traditional Hammam Experience

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure. There are no specific health requirements for this trip. However, you should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the G Adventures brochure and itinerary and assess your ability to cope with our style of travel. Please contact us at travel@gadventures.com should you require any clarification on what is involved on your itinerary. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions. Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately. Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s). Swimming, including snorkeling, is always at your own risk. We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit: www.gadventures.com/travel-resources/safety/

Trip Specific Safety

Like anywhere in the world, major cities have areas safer than others, use common sense, be aware of your surroundings and mind your personal belongings. It is important to note that as it is not a legal requirement in buses in Morocco, your vehicle may not be equipped with seat belts.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Travel Insurance

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. G Adventures can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Planeterra Foundation - the non-profit partner of G Adventures

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally. G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need. G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with Planeterra Foundation. Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment. Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

Local Dress

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your CEO for more specific advice.

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next G Adventures trip if your feedback is completed on-line within 30 days of finishing your trip.
