Oversikt

Sri Lanka was known by early Arab traders as “Serendib,” a name which gave rise to the English word “serendipity.” Set out on an adventure through this serendipitous Indian Ocean isle, exploring stunning palaces, ancient cities, and intricately decorated Buddhist temples. Take a stroll through fragrant spice gardens and lush tea plantations, tasting world-renowned Ceylon tea right at the source, and look out for elephants and leopards on safari in two celebrated national parks.

Reiserute

Colombo

Arrive at any time. Arrival transfer is included.

Colombo/Wilpattu National Park

Begin the day with a visit to a coconut plantation. Coconut is one of Sri Lanka's major exports, and many local industries utilize coconut-based by-products. Continue north to Wilpattu National Park, one of the oldest parks in the country and home to a significant leopard population. Explore the park on a 4x4 with a local expert, hearing about conservation efforts and the issues of human encroachment on wildlife reserves, and keep an eye out for elephants, wild boar, sloth bear, spotted deer, and of course, leopards. Spend the night at a safari camp located just outside the park.

Wilpattu is the oldest National Park in the country and home to Sri Lankan leopards. We will do our best to search some out with our local ranger, as well as enjoy the stunning flora and fauna. Our safari camp is located 10 minutes to the Southern boundary of the park entrance, on the boundary of a lake surrounded by bush forest. While a bit more simple than our other accommodations in Sri Lanka, a stay in a tented camp offers a unique and fun experience. Tents are heavy canvas with 2 raised beds, electricity, fan and ensuite toilette. The camp offers open air dining with exceptional food and service in a natural surrounding. On occasion, due to the remote location electricity and hot water can be sporadic. A flashlight is provided and should be used when walking at night.

Wilpattu National Park/Anuradhapura

Travel to the sacred city of Anuradhapura, an ancient capital of Sri Lanka dating to the third century B.C. Take your time to wander the palaces, gardens, Buddhist temples, and monasteries of this splendid UNESCO World Heritage site, and opt to explore the ruins by bike with a professional cycling guide.

ANURADHAPURA/HABARANA/DAMBULLA

Venture to the thriving village of Habarana, where we'll get a chance to glimpse daily rural life. Explore the area by traditional bull cart, visiting lush vegetable fields and rice paddies. Take a stroll through town and meet some of Habarana's residents. Float in a canoe down a picturesque lake, and sit down for a lunch of local specialties. Later, continue to Dambulla for the evening.

Dambulla

This morning, discover one of Sri Lanka's most iconic sights—the striking fortress of Sigiriya, or the Lion's Rock. This royal city and UNESCO World Heritage site was built in the fifth century on the slopes and summit of an imposing granite peak. Climb up a series of steep steps to reach the top, and encounter beautiful gardens, caves, monasteries, and palaces adorned with frescoes. Enjoy breathtaking views of the surrounding jungle, and return to Dambulla for some free time around town.

Dambulla/Kandy

Set out to explore the impressive Dambulla Cave Temple, the largest and best-preserved collection of cave shrines in Sri Lanka. Admire stunning Buddhist murals and a trove of Buddha statues, including a spectacular reclining Buddha carved out of solid rock. Then visit a spice garden in Matale to learn about the therapeutic uses of local spices. Continue to Kandy and enjoy a tour of the Temple of the Sacred Tooth Relic, an important pilgrimage site which houses a tooth of the Buddha. This evening, we'll take in a performance of traditional music at a cultural show.

Kandy

Kandy served as the last capital of Sri Lanka's Sinhala dynasty before the British took complete control of the island in 1815. Spend the day exploring the city, visiting the breathtaking Royal Botanic Gardens of Peradeniya, once accessible only to the royal family. Afterward, stop by Stree Craft Shop and Café, a G Adventures–supported social enterprise that works to empower local women and youth. View a handicraft demonstration and hear a talk about the enterprise before enjoying a tasting of local teas, accompanied by scones and pastries. Later, opt for a stroll through the city and around Kandy Lake, or enjoy a rejuvenating Ayurvedic massage.

Kandy/Nuwara Eliya

Travel through scenic mountains to the town of Nuwara Eliya, in the heart of Sri Lankan tea country. Visit a tea plantation to gain insight into the cultivation and production of this beloved beverage, and savour a cup of perfectly blended Ceylon tea. Then head out on a tour of Nuwara Eliya and its lush surroundings, once governed by English and Scottish planters, following cool, misty roads through blankets of tea bushes. This afternoon, opt to take high tea at the colonial-era Grand Hotel, originally the holiday home of Sir Edward Barnes, the fifth Governor of Ceylon.

NUWARA ELIYA/HORTON PLAINS NATIONAL PARK/UDAWALAWE NATIONAL PARK

Venture out early this morning into Horton Plains National Park, a protected natural area encompassing high altitude grasslands and hilly cloud forest. Enjoy a picnic breakfast, and culminate your trek at a point known as World's End—a majestic drop that provides incredible views over the verdant plains and coastline to the south. Then continue to our tented camp on the border of Udawalawe National Park. This evening, enjoy a cooking demonstration by the camp chef, learning about local specialties.

UDAWALAWE NATIONAL PARK

A sanctuary for large herds of elephants, Udawalawe National Park is one of the best places in the world to observe these majestic pachyderms. Embark on a jeep safari through the

park seeking out the abundant wildlife, including water buffalo, jackals, and various species of deer. Afterward, visit the Elephant Transit Home, a refuge and rehabilitation center for orphaned elephants. Watch the resident elephants as they feed, play, and mingle with each other, and hear from one of the facility's conservationists.

Udawalawe/Negombo

Drive to Negombo and spend the day at leisure. This small port town has seen Portuguese, Dutch, and British rule—reflected in the architecture of the old quarter—and used to be a centre of the cinnamon trade. Choose to visit the Old Dutch Fort, step into one of the town's ornate Catholic churches, or enjoy a stroll on the beach.

Negombo

Depart at any time.

Hotel check out is at 12:00pm. Your CEO can assist you with arranging an easy transfer to Colombo or the International airport.

Dossier Disclaimer

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary. VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission. Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. Some culturally significant sights in Sri Lanka may not allow entry to people wearing hats or hijabs, or to those with covered faces. Examples of cultural sites with such restrictions may include, but are not limited to, the Sri Maha Bodhi Tree section or the Anuradhapura Cultural Site, the Dambulla Cave Temple and Temple of the Tooth in Kandy. 2. Displaying body art or wearing clothing that includes an image of the Buddha is illegal; please be culturally sensitive and respect the law and should you have any such tattoos, keep them covered at all times. 3. Traveling by road in Sri Lanka is certainly not what people are used to in Western countries. Many road ways are single lane, rules are not always followed, drivers appear to speed, do not stay in their lanes, and overtake in seemingly dangerous situations. Although there are some improvements in the works to the road infrastructure, there is a lot more to be done. As a result, some of the roads are poorly maintained, and this gets even more pronounced during and after the monsoon. As a result, travel time covering relatively short distances is very long in comparison to Western countries.

Group Leader Description

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

Group Size Notes

Max 15, avg 12

Meals Included

11 breakfasts, 1 lunch, 3 dinners

Meals

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Solo Travellers

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

What to Take

We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 10-15kg/22-30lb. Hard suitcases are not recommended for G Adventures trips! Most travellers carry a backpack or rolling bag of small to medium size (no XXL ones please!). You will also need a day pack/bag to carry water, cameras and other electronics like ipods and mobile phones.

Laundry

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

Visas and Entry Requirements

Most nationalities will require a visa to visit Sri Lanka. The fee is approximately \$35 USD and an E-Visa can be obtained at the following website: <http://www.eta.gov.lk/slvisa/>

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com As of Jan 2013 the exchange rate for Sri Lanka was 1 USD = 128 LKR (Sri Lankan Rupees). There are many ATM machines that accept both Visa and Mastercard but these are limited to major cities. Major credit cards are accepted in most shops but they may charge a 2-4% transaction fee.

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from USD1-2 per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline USD20-30 per person, per week can be used.

Optional Activities

Anuradhapura - Cycle Anuradhapura Kandy - Ayurvedic Hospital Visit Nuwara Eliya - High Tea at the Grand Hotel (15USD per person)

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure. You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our CEO are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our group CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions. Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s). Swimming, including snorkeling, is always at your own risk. Read more about travel safety for ways to further enhance your personal safety while traveling.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our group leader has the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. G Adventures can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Planeterra Foundation - the non-profit partner of G Adventures

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally. G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need. G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with Planeterra Foundation. Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment. Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

Local Dress

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting small rural communities or visiting temples or mosques or other holy sites as this may restrict your entry. Sri Lanka is conservative and you should dress accordingly. As a general guideline shoulders and knees should be covered at all times. The wearing of shorts is not allowed as it will restrict your entry into buildings of a religious nature and family homes. A light water and windproof jacket is useful and a hat essential. Beach attire is appropriate when on the beach. NB: During our trip there will be many opportunities for you to meet with locals. One way to start any conversation is with pictures. We recommend that you bring some photos/postcards of your family, home, city or country where you live, animals peculiar to your country etc.

Feedback

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next G Adventures trip if your feedback is completed on-line within 30 days of finishing your trip.
