## Reiseroute

### **Bangkok**

Arrive at any time; your arrival transfer is included.

You will be met on arrival at Bangkok Airport and transferred to your hotel. You are welcome to arrive at any time on day 1, but please note that hotel check-in time is 14:00.

### **Bangkok/Ko Samui**

This morning, transfer to the airport in Bangkok and catch a flight to the tropical island of Ko Samui, bordered by the sapphire waters off Thailand's southeast coast. Settle into your hotel and enjoy a free afternoon to relax by the pool, stroll along a white-sand beach, or explore the local village.

Off of Thailand's east coast in the Gulf of Thailand, Ko Samui offers everything you could possibly want in a seaside retreat: white sandy beaches, coconut palms, fresh seafood, and warm, clear waters. Our hotel is located in the vibrant and exciting "Chaweng" district, walking distance to restaurants, entertainment spots, and shopping. Catch a tuk-tuk to the various beaches close to our hotel.

### **Ko Samui**

After breakfast, board a traditional longtail boat and travel off the tourist trail to the pristine islands of Ko Mat Sum and Ko Taen. Savour a local lunch on the beach, then choose to explore by kayak or snorkel. Glide past green-shrouded cliffs and tranquil lagoons, or don a mask and fins to delve into vibrant underwater worlds.

### **Ko Samui/Khao Sok**

Catch the ferry back to the mainland and drive to Kao Thep Pitak, a community-owned farm supported by G Adventures. Enjoy a lunch of local specialties and take a stroll through the surrounding fruit orchards. Continue to Khao Sok National Park, where you will settle into a sustainable, community-focused eco-lodge located just outside the park boundary. This evening, venture into the rainforest park on a nighttime walk with a community guide, then gather for a campfire dinner surrounded by the music of the jungle.

Khao Sok is a stunning location with one of the oldest evergreen rainforests in the world, surrounded by limestone karst cliffs.

### **Khao Sok**

Khao Sok National Park is southern Thailand's largest area of virgin rainforest, encompassing a breathtaking wilderness of karst peaks, turquoise lakes, and tropical rainforest that stretch along the southwest coast. Explore the park on your own today, choosing between a variety of optional jungle activities. Head out for a hike in search of monkeys and tropical birds inhabiting the dense canopy. Soak in steaming hot springs, glide down the sparkling Sok River aboard a canoe, or set out on a cycling tour of the park's winding trails.

### **Khao Sok/Krabi**

This morning, drive south to Krabi, situated on Thailand's tropical southwest coast. Cross the Krabi River by private longtail boat, gliding past mangrove forests and limestone peaks. Venture into the Khao Khanap Nam cave to view prehistoric paintings and fascinating rock formations. Later, head to Ko Klang island and board motorized tricycle tuk-tuks to explore local communities and traditional industries, including a rubber plantation, rice fields, and a batik workshop. Chat with villagers and learn about timeless agricultural and artisanal techniques passed down over generations.

### **Krabi**

Enjoy a full day of free time to relax at the hotel or explore Krabi. Opt to catch a tuk-tuk to Ao Nang beach, overlooked by towering, vine-draped limestone cliffs. Choose to navigate the turquoise waters of the Andaman Sea by kayak, or snorkel among colourful tropical fish. Discover the idyllic beaches of the Ko Phi Phi islands by speedboat on an optional day trip.

Stay close to the beach and enjoy some of the beautiful scenic views that have made southern Thailand so famous. In the evening, grab a cocktail and relax at the pool. Your CEO will fill you in on all the other interesting options that are available in the area. This is the perfect place to get active or simply chill out and relax. Our resort is located a short distance by tuk tuk to Aonang Beach and Noppharat Thara Beach. Enjoy the resort's excellent facilities including restaurant and bars, three large outdoor swimming pools, and rejuvenating spa (additional cost).

### **Krabi/Bangkok**

This morning, return to Bangkok, where your trip concludes.

The tour ends at Suvarnabhumi Airport (Bangkok Airport). Please note: your flight must not depart earlier than 15:00 on this day.

It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary. **VERY IMPORTANT:** Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

## Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission. Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

## Important Notes

As such, the CEO, staff and/or particular vehicles operating your tour may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments.

## Group Leader Description

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

## Group Size Notes

### What to Take

What you need to bring depends on the trip you have chosen and the countries or regions you are planning to visit. We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 15kg/30lb. We recommended for G Adventures trips a backpack or rolling bag of small to medium size (no XXL ones please!). You will also need a day pack/bag to carry water, cameras and other electronics like ipods and mobile phones.

### Visas and Entry Requirements

Please note that visas for Thailand are the responsibility of the individual traveller. The visa requirements for your trip vary depending on where you are from and where you are going. For the most up to date information please check your Governments Foreign Ministry website or with you travel agent as rules do change. THAILAND - Most nationalities do not need a visa for Thailand for stays of 30 days or less but if you do they are available on arrival at Bangkok Airport.

### Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

### Money Exchange

During this tour the local currency you will use is the Thai Baht. As currency exchange rates in South East Asia do fluctuate, we ask that you refer to the following website for the most up to date daily exchange rates: [www.xe.com](http://www.xe.com) for each of the above mentioned currencies. The best way to carry your money is in debit cards, withdrawing cash in local currencies from ATM machines. ATMs are found throughout South East Asia and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible in case of loss or problems with one card, you will have a back up. Please note, your bank will charge a fee for overseas withdrawals. USD Cash is recommended for times when ATMs are not accessible. You should bring some cash with you for emergency situations (please refer to our trip dossier) but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix. Travellers cheques can be tricky, timely and expensive to exchange. While we do not recommend that you bring them as your primary source of funds, it is great to have one or two cheques in case of emergency. Thomas Cook or American Express travellers' cheques in US currency are the easiest to exchange. Cash advances can also be made with some banks but are time consuming and tend to have high fees attached. Credit cards can be used at some upmarket restaurants, and at some larger stores if shopping for big items. If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 2003, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

### Emergency Fund

Please also make sure you have access to at least an additional USD \$250 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

#### Departure Tax

Departure Tax is Included in all International and Domestic tickets.

#### Tipping

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from \$1.5-\$3.5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

#### Optional Activities

Khao Sok - Khoa Sok Bicycle Tour - Sok River Canoe Tour - Anurak Jungle Hike - Hot Springs Visit - Khao Sok National Park Hike Krabi - Kayaking - Massage (Southeast Asia) Ao Nang - Phi Phi Island Tour By Speed Boat

#### Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

#### Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions. Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately. Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s). Swimming, including snorkeling, is always at your own risk. We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit: [www.gadventures.com/travel-resources/safety/](http://www.gadventures.com/travel-resources/safety/)

#### Trip Specific Safety

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

#### A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

#### Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

#### Planeterra Foundation - the non-profit partner of G Adventures

Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally. G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with Planeterra Foundation. Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect

the environment. Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

#### Local Dress

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tank-tops when visiting temples or mosques or other holy sites.

Your feedback information is so important to us that we'll give you 5% off the price of your next G Adventures trip if your feedback is completed on-line within 30 days of finishing your trip.
